## **II. The powers and duties of its officers and employees:**

### **DUTIES OF DOCTORS & STAFF WORKING IN WELLNESS CENTRES (DISPENSARIES)**

#### **Medical Officer In charge**

##### **Administration**

1. Medical Officer In charge will take round daily to observe whether all staff is in their respective place of duty, cleanliness and sanitation. He can spare 2 hours for having two medical officers in a Wellness Centre and with the addition of every additional doctor 15 minutes to be added. He should also make surprise round in between to ensure smooth functioning of the Wellness Centre.
2. He will ensure that all staff is in position to start work at the scheduled time. He will maintain an attendance register for his staff, which he will place on his table and he will ensure that all members of the Wellness Centre staff note down the time of arrival and departure in the attendance register. He will countersign the register daily which will be in his personal custody and which he will remove from his table half an hour after the opening hour of the Wellness Centre. He will record absence or leave, late arrival etc. appropriately in red and take suitable action and/or report on defaulters to the competent authority.
3. He will be responsible for maintenance of discipline and order in the Wellness Centre including use of prescribed uniform by the Wellness Centre staff.
4. He will arrange for duty of staff during the non-working hours of the Wellness Centre.
5. He will ensure as far as possible, patients load is equally distributed among Medical Officers posted to his Wellness Centre. He will adjust his own patient's load keeping in view his additional duties.
6. He will arrange a Group 'D' staff to take over the charge from the Chowkidar in the morning session as to hand over the charge to the Chowkidar in the evening.
7. Accounting of Stores
  - a. He will scrutinise and counter sign the expenditure of drugs from the stock ledgers of medicines issued by the stock-keeper to various units of the Wellness Centre as per demand register.
  - b. He will countersign all the entries in receipt column of medicines as per vouchers of regular indent/Supplementary indent etc.
  - c. Imprest money

One imprest money register will be maintained by the Medical officer in charge. For the recoupment of Dhobi bill, conveyance charges and other petty charges paid up voucher duly certified to be sent to Additional Director Office.

8. Area Welfare Officer

There is a Co-ordination Committee of the officers in which C.M.O. is a member of the High Power Committee where-in matters relating to CGHS other than Policy matters are being discussed. Necessary action is being taken whenever suggested by the Committee.

The Medical Officer In charge will form Area Welfare Committee in consultation with Area Welfare Officer and hold meetings regularly to solve any problems of the Wellness Centre. The Medical Officer Incharge with the help of Area Welfare Committee members will try to settle any complaint against the Wellness Centre/ Staff. The minutes of the meeting should be recorded and forwarded to the Additional Director Office.

9. Residential address of staff

The Medical Officer In charge will maintain the record of residential addresses of the Medical Officers and other staff along-with Telephone numbers if any.

10. Casual Leave/Compensatory Off/Station Leave

He will maintain the casual leave record and grant casual leave and compensatory off to all staff working in the Wellness Centre other than himself/herself. He can also grant station leave permission.

11. Punctuality

He will ensure punctuality and debits ½ days casual leave from casual leave account for late coming, for each late attendance. But late attendance up to an hour, on not more than two occasions in a month may be condoned by the competent authority, if he is satisfied that it is due to unavoidable reasons. In case such a course does not ensure punctual attendance, suitable disciplinary action may be taken against the Govt. servant concerned in addition to debiting half a day's casual leave to his casual leave account of each occasion of such late attendance. (See order No. A. 19012/1/75-Estt. II, Govt. of India, Ministry of Health and Family Planning. Deptt. Of Health dated 17th July, 1975.

12. He will maintain a daily diary and record all the important incidents occurring in the Wellness Centre.

13. Family Welfare Programme & MCH

He will be overall incharge of family welfare programme with the help of other Medical Officers and Para Medical Staff to conduct and supervise the Family Welfare Programme target is achieved successfully.

14. Preventive / Prophylactic Treatment

15. Health Education

The Health Education Programme should be organised in the Wellness Centre.

16. Weeding out of Old Records

The Medical Officer In charge will undertake the weeding out of old records as per circular No. 2-1/78/CGHS/MSD/PSM/210/22338 dated 30-1-80.

17. Uniform

The Medical Officer In charge should ensure that all staff wears the prescribed uniform while on duty.

18. Safai Work in Absence of Safaiwala

The Medical Officer In charge is authorised to engage one safaiwala in the absence of regular safaiwala as per order No. 7-95/80/CGHS/Estt. IV dated 29-10-80.

19. Sharing of Patients

The Medical Officer In charge will also share patients load in the Wellness Centre adjusting his administration work.

20. Evaluation of Serious Patients

The Medical Officer In charge or attending medical officer should ensure safe evacuation of serious patient by calling the ambulance from the hospital.

21. The Medical Officer In charge will maintain the guard file and all important circulars should be filed serially with page mark and keep the file in his personal custody.

22. Handing Over of Charge

The Medical Officer In charge while proceeding on leave/transfer will hand over the charge of the Wellness Centre to the senior most Medical Officer of the Wellness Centre if the name of specific medical officer is not mentioned by the competent authority. He will prepare a list of articles in quadruplicate to be handed over to the relieving officer, one copy to the Additional Director Office. And third copy will be kept by the relieved officer and 4th copy will be in Wellness Centre file.

The following articles must be handed over to the relieving officer.

- i) Duplicate keys.
- ii) Guard file.
- iii) Compendium.
- iv) Imprest Ledger.
- v) Inspection Book.
- vi) Complaint Book.
- vii) Surprise check register.
- viii) Attendance registers.
- ix) Casual leave register.
- x) Compensatory off register.
- xi) Confidential files.
- xii) He should obtain "No Demand Certificate" from the store keeper of the Wellness Centre duly countersigned by the relieving Medical Officer In charge. One copy of no demand certificate should be forwarded to the Additional Director Office.
- xiii) Any other important records, files and articles.

### 23. Brass Seal

He should ensure sealing of stores in both with brass seal and the brass seal should be in his personal custody.

### **Medical Officers of CGHS Wellness Centre.**

1. The Medical Officer will provide comprehensive medical treatment including preventive and curative, Family Welfare & MCH and Education Health to the beneficiaries.
2. He will also scrutinise the CGHS token number before providing treatment. As per rules, production of card is necessary at the time of each visit, whether new case or old.
3. He will restrict himself to general list of the formulary. But in case he has to prescribe any specialist item, he should take prior concurrence from Medical Officer In charge. He will not write of his own, any medicine meant for consultants.
4. Domiciliary Visit

He/she should undertake domiciliary visit as per instructions issued from time to time and should not avoid the same, even by implication, beneficiaries must not be asked to provide transport.

5. Family Welfare Programme MCH & Health Education

All Medical Officers must take active interest to promote the Family Welfare Programme, MCH & Health Education.

6. He/she should help Medical Officer In charge in maintaining cleanliness of the Wellness Centre, supervision of the work at dressing room, injections room and checking of various Wellness Centre accounts and general administration, as desired by the Medical Officer In charge.

7. Specialist Consultation

The Medical Officer may refer a case to a specialist according to the instructions already laid down.

8. The Medical Officer will keep the medical certificate/fitness certificate books under his/her safe custody and under no circumstances this will be handled by any other staff.

9. The Medical Officer will perform such other duties as may be assigned to him by the Medical Officer In charge/Additional Director Office or Directorate from time to time.

**Storekeeper**

1. The storekeeper will be responsible to the Medical Officer In charge and the Medical Officer entrusted with the supervision of Wellness Centre stores for the safe, storing, protection from loss, damage or deterioration in the condition of stocks entrusted to his charge.
2. He will arrange to keep stores in a neat and orderly manner and ensure that all containers, bottles, packages, etc. are properly labelled.
3. He will prepare and submit regular indents to the Medical Stores Depot in accordance with the delivery programme issued by the Depot from time to time. He will follow meticulously, all indenting procedures circulated from time to time.
4. He will take necessary steps to replenish stocks well in time to avoid any difficulty in supply on account of any item to avoid any item going out of stock. He shall bring to the notice of the Medical Officer In charge the items running short and prepare supplementary indents for submission to the Medical Stores Depot.
5. He will bring to the notice of the Medical Officer In charge and submit urgent demands within time when the stock require replenishment to allow replacement to be made before actual depletion occur i.e., before the stocks become 'NIL'. He will ensure that a buffer stock of a minimum of seven days is always available in respect of listed items.

6. The Storekeeper will duly initial the indent on each page and thereafter have it countersigned by the Medical Officer In charge before submission as per instructions issued from time to time. He will also initial all cuttings/overwriting/alteration made in the indent. Proper care should be taken to ensure that such occasions are rare.
7. He will examine, count, measure or weigh as the case may be before the stores received in the Wellness Centre. At the time of the receipt he will check that the quantities are correct and that the stores are in good condition. He will immediately bring to the notice of Medical Officer In charge anything found to the contrary before the stores accepted. He will otherwise be responsible for any defect detected at a subsequent occasion.
8. He will bring to the notice of the Medical Officer In charge stocks of such preparations which are accumulating in the Wellness Centre store beyond the need of the Wellness Centre and contact the M.S. Depot for their liquidation. Such action must be started six months in advance of the date of expiry, if any.
9. He will be responsible for correct accounting of all stores and for maintaining stock and issue registers and inventories in respect of both consumable stores and dead stocks. He shall make entries in the registers and file the vouchers in serial order and produce the same for checking/inspection at the time of verification of stores cum countersignature of the entries in the registers by Medical Officer In charge. He will make all entries clear, legible handwritings, cuttings/overwriting must be avoided as far as possible.
10. He will initial all entries in the stock ledger pertaining to the receipts and issue of the stores. Receipt entries will be made in red ink and issue entries in blue ink.
11. He shall issue to Pharmacists, etc., stores under his custody only on the authorization of the Medical Officer In charge.
12. The Storekeeper will be responsible for obtaining written acknowledgement from the persons to whom the items are issued from the stores. These should be maintained in a register.
13. He will pay special attention to the short-life items and maintain the record in the short life register and put this up to the Medical Officer In charge at the beginning of each month pointing out such preparations which are likely to expire in three months' time. He should ask for specific orders of the Medical Officer In charge for their disposal. A list of all such items and their quantity must be put up in a register to the Medical Officer In charge and his orders obtain in writing.
14. He will be responsible for the issue of local purchase medicines received from the authorised chemists after obtaining the signatures of the beneficiaries concerned or their representatives.
15. He will comply with all instructions regarding store custody and accounting procedure issued by the Directorate/M.S. Depot from time to time or prescribed order the General Financial Rule.

16. On transfer or while proceeding on leave he will hand over the charge of the store to his successor and furnish a handing over and taking over charge to the Medical Officer In charge. He should prepare a Triplicate list of stock ledgers/file etc. as follows and hand over the same to the relieving store-keeper a copy of which should be handed over to the Medical Officer In charge duly signed by both the relieving and relieved storekeeper.

**A. Current**

- I. Stock Ledgers of medicines Vol. I, II, III etc.
- II. Stock Ledger of Dead Stock Item.
- III. Local purchases register.
- IV. Demand file of various counters.
- V. Receipt vouchers of M.S.D. & others.
- VI. Register showing indents placed to M.S.D. and other.
- VII. Register showing inventory of Dead Stock Item.
- VIII. Life Expiry date register.
- IX. Daily Store Information file etc.

**B. Old**

- I. Details of old register and files handed over.

17. He will assist in dispensing work whenever so required by the Medical Officer In charge of the Wellness Centre.

18. He will prepare the no demand certificate to the staff transferred from the Wellness Centre after verifying his records. The no demand certificate should be signed by Medical Officer In charge.

19. Opening of New Ledger/register

He will follow the instruction as already laid down for opening of new ledger/register. While opening a new stock ledger for consumable items, sufficient space must be left for each item, depending upon its consumption pattern so that the same ledger can last for maximum possible period. A new stock ledger need not be started every year, as this is only a waste of stationery and does not serve any useful purpose.

A new stock ledger should be started, as far as possible only on the 1st of April of the year concerned while opening a new ledger balances in the old ledger must be carried forward correctly, giving the cross reference in both the old as well as the new ledgers.

20. He will carry out any other duty assigned to him by the Medical Officer In charge.

### **Staff Nurse**

1. She will be responsible for the efficient functioning of the injection room.
2. She will ensure that syringes, needles etc. are maintained properly in aseptic condition ready for administration of injection.
3. She will keep ready at all times a spare syringe and requisite injections to combat anaphylactic shock.
4. She will check the condition of ampoule, its contents, and the date of expiry etc., before administering an injection.
5. She will specifically enquire from the patients about any adverse reaction to an injection any time previously.
6. The staff Nurse will not administer intravenous injections.
7. In the event of a reaction to an injection she will immediately call the Medical Officer and render all possible help that may be necessary. She will make all entries in the drug reaction register.
8. She will maintain a record including summary in a register of the injectable received and administer by her. The register shall be checked by the Medical Officer periodically, at least once a week.
9. She will be in uniform when on duty.
10. She will maintain demand register as per instruction laid down.
11. She will maintain a register of all injections administered in the Wellness Centre daily. The column shall be Date, SI No. Name of injection. Separate register shall be maintained for new and old Cases. The registration check shall add the number of old cases in the daily attendance as shown in the O.P.D. register for the purpose of statistic.
12. She will be responsible for proper functioning of Oxygen Cylinder.
13. She will keep up to date account of expenditure and balance of injections received from store.
14. She will perform such other duties as may be assigned to her by the Medical Officer In charge.

### **Duties of the Wellness Centre Clerk**

The Wellness Centre clerk will be at his seat 15 minutes before the opening of the Wellness Centre and will not leave the counter after closing time till all the patients seen by the Medical Officers have been registered.

His duties inter-alia will include:—

1. Issue of priority taken to patients as per instructions issued on the subject.
2. Registration of old and new cases reporting to the Wellness Centre.
3. Work relating to birth registration, addition and deletion from family transfer of Wellness Centre, etc.
4. Receipt and dispatch of Wellness Centre dak.
5. Work relating to the maintenance of index cards.
6. Work relating to compilation and preparation of various statistical reports and administrative returns.
7. Maintenance of up-to-date list of index cards and number of beneficiaries attached to the Wellness Centre.
8. Maintenance of casual leave account of the Wellness Centre staff.
9. Assist the Medical Officers in the administrative work of the Wellness Centre.
10. Filling of standing orders and instructions and their circulation to all Medical Officers on regular duty.
11. Circulation and posting of important communications among all members of Wellness Centre staff.
12. The Wellness Centre clerk shall perform any other duty as may be assigned to him by the Medical Officer In-charge From time to time.

### **Duties of Pharmacist**

1. The Pharmacist will be personally responsible for the correct dispensing as per prescriptions issued by the Medical Officer and for the safe custody of the stores received by him. He will issue medicines, mixtures, etc. in accordance with the instructions issued by the Directorate/Medical Stores Depot/Medical Officer In charge from time to time.
2. The Pharmacist will at all times be courteous and helpful in dealing with the patients and under no circumstances enter into arguments, whatsoever, with a beneficiary but report the matter to the Medical Officer In charge.

3. He will be in position at the Wellness Centre 15 minutes before the opening time to ensure cleanliness of the dispensing room, replenishment of stocks, arranging of the medicines etc.
4. He will be personally responsible to see that the dispensing room is kept absolutely clean all the time, bottles are properly corked and well dusted.
5. He will dispense stock mixtures and medicines properly. He will issue an original packing to a beneficiary only after breaking the seal.
6. The Pharmacist will write the name of the medicines with details of the doses on the mixture bottle, container, and envelope and also explain the doses verbally where required. If medicines are issued in plastic (PVC) envelope small slips shall also be put inside giving the name of medicines and its dosage.
7. The Pharmacist (s) will remain on duty to clear the patient at the end of Wellness Centre hours and shall leave the dispensing room only after taking permission of the Medical Officer in charge.
8. The Pharmacist will maintain proper account of the items issued to him, dispensed by him and the balance in stock with him.
9. The Pharmacist will immediately comply with the instructions and arrange for the stocks with him to be checked of any time by the Medical Officer In charge or other Medical Officers and any other officer deputed by the Additional Director Office.
10. In the temporary absence of storekeeper, the Pharmacist will perform the duties of the store-keeper whenever required by the Medical Officer In charge.
11. The Pharmacist will wear a white coat while on duty.
12. The Pharmacist will prepare daily summary of expenditure of medicines in a register and obtain countersign of Medical Officer In charge.
13. He will draw all non-restricted medicines in demand register as per instruction laid down.
14. He will paste the Inventory list on the pigeon hole Table and insure its corrections and see that the list is kept up to date.
15. The Pharmacist will perform such other duties as may be assigned to him by the Directorate/Medical Officer In charge from time to time.

### **Duties of Laboratory Technician**

The Laboratory has the responsibility for carrying out all examinations required of it and keeping complete records of work done to enable reports both for administrative and technical purposes, and

for prompt and accurate reporting of the examination results. The Laboratory Technician will be responsible for the above functions and his duties are:—

1. He will establish a point of reception of all specimen and will be responsible for labelling them suitably for accurate identification by the recording the name of the patient and his/her identify card number/and any other particulars necessary.
